

Midweek/Sunday School Guidelines

Before Midweek/Sunday School:

- Please do not send your child if he/she has been exhibiting symptoms associated with COVID-19 or has been in recent contact with an individual with COVID-19.
- Please visit with your child prior to arrival about social distancing, keeping his/her hands to themselves, not touching his/her eyes, mouth, face, and wearing a mask.
- If you are unable to attend, please let us know ASAP. We are preparing Midweek/Sunday School based upon the weekly registration.
- Please do not drop your child off before **5:50 PM** for Midweek and **9:35 AM** for Sunday School.
- You will receive a Security Card at Check-In. This card will be needed to pick-up your child at Check-Out. We will not be utilizing the Computer System for Check-In/Check-Out during this time.
- 5th - 6th Graders will be dropped off at the Preteen Auditorium. 1st - 4th Graders will be dropped off at the Children's Auditorium for Midweek/Sunday School.

During Midweek/Sunday School:

- Game tables, video game rooms, and the playground will be closed during this time to maintain safety. The playground will only be accessed during Midweek for organized recreation during the ministry program.
- Each portion of Midweek/Sunday School will seek to minimize the use of shared items. There may; however, be shared items during recreation/crafts. Children will be required to wash hands following these activities. If you are uncomfortable with your child participating in recreation/crafts, please let us know.

- Masks are required for all parents, volunteers, and kids en route to class.
- In Large Group Gatherings (Preteen and Children's Auditoriums), masks are encouraged, but for those who are comfortable in doing so, they may be removed for the time in those areas. There is more room for social distancing and better air flow in these large group spaces. We will make adjustments as groups increase in numbers.
- In Small Group Gatherings (Classrooms), masks are required for the duration of time in these rooms due to smaller spaces and air flow.
- Volunteers will be required to wear masks except for during teaching.
- The water fountains will also be closed. Your child is welcome to bring a bottle of water labeled with his/her name if needed. We will also not be providing any food or snacks during this time.

After Midweek/Sunday School:

- Please pick-up your at **7:30 PM** for Midweek and **10:45 AM** for Sunday School.
- 5th - 6th Graders will be picked up in the Preteen Auditorium for Midweek and in the classrooms for Sunday School. 1st - 4th Graders will be picked-up in Children's Auditorium for Midweek and in the classrooms for Sunday School.
- Present your Security Card to Check-Out your child.
- Please only send one member of your family into the ministry area for drop-off/pick-up.
- Please do not congregate in the Lobby following Midweek/Sunday School. During Midweek, please move outdoors to the Parking Lot to mingle/visit with family/friends. During Sunday School, please proceed to the Worship Center.
- Thanks for participating in Midweek/Sunday School!
