

GSFBC Indoor Worship

F.A.Q.'s

Updated August 10, 2020

When is worship?

9:15AM & 11:00AM

Blended Worship in the Worship Center

Modern Worship in the Venue

Do I have to register to attend?

Yes, we're asking you to register to attend. You can register at www.gsfbc.org/signup or by phone at 455-3474.

What about masks?

In accordance with good health standards and the executive order from Mayor Scott of Little Rock, we are asking all Indoor Service participants to wear a mask from your vehicle to your seat and, at dismissal, from your seat back to your vehicle. Once seated, since we can properly practice social distancing, masks do not have to be worn.

Our volunteers and staff will be wearing masks, but those on stage will not be wearing masks while leading.

Will there be any screening involved?

We will post Coronavirus Safety Notices and have available medical screening tables staffed by our Medical Response Team in the Main Lobby, but we will not require screening to enter.

What about sanitization and cleaning?

We have recruited a Clean Team of volunteers that will sanitize the Worship Center with tools and chemicals that kill coronavirus in a few seconds.

What about restrooms?

Only the restrooms nearest the Worship Center/Venue and the Adult Education wing will be open. Each restroom door will remain open. If you need to use the restrooms, we ask that you exit and re-enter through the Main Lobby doors.

What about elevators?

Elevators will be open, but we ask that only one family use the elevator at a time, and everyone using the elevator wear masks.

Where should I park?

For Blended Worship, please enter Door 2 (Main Entrance), Door 3 (Sanders Hall), or Door 5 (West Hallway).

For Modern Worship, please enter Door 7 (North Lobby).

Where will I sit?

Blended Worship:

Enter the Worship Center through the Main Lobby. The balcony will open once the floor is at capacity. All other doors into the Worship Center will be closed. Every other pew will be marked off, and we are asking families to sit together and observe social distancing with other families. Ushers and staff will be available to help you find a seat if needed.

Modern Worship:

Please enter through the set of doors to the Venue marked "Entrance Only". We will have chairs set out in socially distanced groupings to accommodate families of different sizes. Ushers and staff will be available to help you find a seat if needed.

What about Guest Services, Connection Team, and other volunteers?

We will have Guest Services, Connection Team, and other volunteers who will serve as greeters, ushers, parking lot attendants, and on our Clean Team. Each volunteer will be required to wear a face mask, gloves (as needed), and participate in social distancing. If you would like to serve as a volunteer, please email jmcdonald@gsfbc.org.

What about the offering?

We plan to continue to use our online giving option; however, we will have offering boxes at the doors of the Worship Center and the Venue. Each offering box will have an attendant for security.

How will we exit?

We will dismiss by row and section. We ask that you exit through the doors you entered, go directly to your vehicle, and do not congregate in the lobbies or public spaces.

What else will not be available during this time?

Water fountains will be shut off, Shepherd's Corner will not be open, there will be no coffee stations, we will not pass the offering plate, and we will not pass out worship bulletins but have a digital version available online at gsfbc.org/bulletin and on the GSFBC App.

What are childcare options?

Because we have not yet reopened age-graded Sunday school and Worship Care, we are offering a Family Room where families with a child aged kindergarten or younger can reserve a table to sit at. There will be activities at each table and the worship service will be broadcast on a television. To register for a family room, visit gsfbc.org/signup.
